

# You have two Choices

---

## The Blue Pill

- Accept your as your exam grade the grade under "**Homework and Labs**"
- Place your name and GID on your Notes
- Place your notes in the **blue folder**
- Go Home and study for any remaining finals.

## The Red Pill

- Accept the challenge of this exam
- Select an exam from a **red folder**
- Return to your seat and see how far your knowledge and study will take you.
- **When finished turn in your exam into the purple folder.**
- Go Home knowing that the effort was worth it, and prepare for any

remaining finals.
