## Note Taker Needed

A peer note taker is needed in this course. Taking notes for another student benefits both students. Note takers usually find the quality of their notes improves when they know someone else will be reading them. They may include this service on a resume, and know they are delivering a needed accommodation for a fellow student.

To be a peer note taker, you should meet these four criteria:

- ▶ Commit to regularly attend class
- ▶ Type all notes during or after class
- ▶ Be in good academic standing
- ▶ Have strong note taking skills

This position is **PAID**, and more hours may be available outside of the regular class time.

If you meet these criteria and are interested in this paid position, please contact the **Office of Disability Services** in person in **180 Strand Union**.
